GRACE
DENVER · HOUSTON

About Guard and Grace

Hosted by Chef Troy Guard

2023 Chef of The Year as Recognized by Bar and Restaurant Expo's Industry Excellence Awards

Named after the chef's daughter, Guard and Grace is a take on the big, fancy, modern steakhouse – miles and miles of fiery grills and charcuterie, oyster bar and bar tops, private rooms, and a posh, walk-in, floor-to-ceiling glassed wine cellar – yet still, with more of a bright, airy playfulness than the usual dark, stiff, mano a mano atmosphere.

Guard and Grace Denver, Chef Troy Guard's most ambitious restaurant to date, opened in early 2014. It's a spectacular 9,000 square foot space, located in the heart of Downtown Denver's business center on the street level of the 56-floor Brookfield Building. Only to be outdone by itself, Guard and Grace Houston, which opened in November 2019, is even bigger, fitting for its Texas location. Guard's first venture outside of Denver, Guard and Grace Houston, is situated in a 15,000-square-foot, glass-enclosed structure on the ground-level of the newly renovated One Allen Center.

Prime certified Angus and local grass-fed and Wagyu cuts of beef in 4 to 22 oz. portions appeal to multiple appetites, from a light bite to ravenous. Fresh seafood, charcuterie, artisanal cheeses, as well as vegetarian selections offer something for everyone. With thousands of bottles in temperature-controlled wine cellars, multiple private rooms, and multi-course party menus, Guard and Grace can meet nearly any need.

About Fund Recovery

Since 2011, Fund Recovery exists to break the cycle of mental health issues by filling in the funding gap between someone who is struggling and their recovery. Our mission is to provide funding to directly support those combating mental health issues who cannot otherwise afford help, either by supporting the afflicted people directly or by assisting those who care for them. Fund Recovery provides financial assistance and scholarships for addiction and mental health services for people seeking change.

Fund Recovery is proud to partner with CaringWays to give you a platform to fundraise on behalf of your loved one. CaringWays is an authenticated philanthropy platform that works directly with organizations, like Fund Recovery, to help friends and family members pay for medical costs with greater ease, confidence, and security.

Dear Guests,

Thank you for attending our fundraising dinner in Denver on August 15, 2023, dedicated to supporting Fund Recovery. Donations raised will directly support individuals looking for mental health services who are unable to afford the costs associated with professional help.

Continued support can create long-term success for anyone motivated to change their mental health condition. Fund Recovery will have several fundraising events this year, and we have multiple opportunities for you to get involved. Our website, fundrecovery.org, will have announcements and information for all future events. If you would like more information about sponsorship, tickets, or how to donate, please contact Lauren Vest at lauren@fundrecovery.org.

Kind regards,

RYAN CAIN
